School Family Nights

# Get More Parents Engaged, Excited and Involved with School Family Nights.

How do you get more parents involved in your school? Simple. Invite them to share a great night of fun activities with their kids at a School Family Night!

PTO Today's School Family Nights are a series of themed events designed to help you connect with your school's families. They're easy to host and simple to organize.

## Order a **FREE** Planning Kit Today!

### Each kit includes:

- Soup-to-nuts planning guidelines
- Equipment and supplies list
- Creative ideas that will enhance your event
- Professionally designed posters/flyers to promote your event

## Family Movie Night

Pass the popcorn, share some laughs, jump out of your seat! Nothing tops the excitement of enjoying a big-screen feature – with the added thrill of sharing invaluable quality time with the kids.

## New Night

U.S. EPA's ENERGY STAR® program

## Go Green Night

This new night is a great way to show parents and kids just how easy (and fun!) it is to help protect the environment by saving energy and living a greener lifestyle. Families will dive into a variety of fun activities that focus on the environment and energy efficiency.

## Family Reading Night

What's the benefit of knowing a good story if you can't share it? Families will enjoy an evening of fun-filled activities that celebrate the benefits of reading.
